 A DIVISION OF CONCEPT ARTISTS, LLC

Katie Linendoll AV Needs

- Wireless lavalier microphone
- Bottle of water at the podium
- Presentation: Ms. Linendoll uses a multi media presentation which utilized sound and video as well as static 'slides'

She will be running her presentation off Apple Keynote - NOT PowerPoint.

Please be prepared to hook up with her Apple laptop OR often she can send her deck in advance for pre-loading/testing. Please inquire if you'd like the file send in advance.

Please have the lights dimmed for running videos.
